Boquet Valley's Weekly Newsletter

Message from Mountain View Principal - Mark Bessen:

This week we had a couple of monumental Bouquet Valley first's.

Our Boquet Valley High School musician's conducted by Kerry Mero held their first concert at the Mountain View Campus on Wednesday. Those in attendance were impressed with the presentation the students demonstrated. We were entertained by three groups, the Choir, Band and Jazz Band. In addition to the three bands during set changes students regaled us with a ukulele piece by Harlow Baily with Alessia Caputo and Corey Valentin. Alessia Caputo also performed a well rendered solo.

On Thursday we are proud to have held the first Boquet Valley National Honor Society induction. To be considered for National Honor Society one must hold an average of 90% or higher. Inductees also were able to demonstrate scholarship, service leadership and character.

Congratulations to all.

LAKE VIEW ELEMENTARY

All-State Representatives:

- Harlow Bailey
- Lawrence Lobdell
- Cameron Armstrong
- Abigail Lindsay
- Alessia Caputo

A Message from Lake View Principal - Dan Parker:

The Holiday Season brings us much to be thankful for and allows our students to show off their skills. The Lake View Campus elementary concert was held on Monday December 9th in front of a packed audience and our students were able to demonstrate the growth of their knowledge and skills. Students sang, played instruments like the record and drums and showed how their knowledge of music has grown through the year. Great job Mrs. Nelson with your work with these students. **Our celebrations will continue on Monday December 16th with the middle school concerts.** Mrs. Nelson has been working with the middle school chorus students while Mrs. Olsen has been building up our band students. We are excited by our ability to have each of our middle school students in band or chorus this year.
