

Dear Parents and Guardians:

Welcome to Early Bridges!

Early Bridges, a pre-kindergarten program that is a collaborative effort between Boquet Valley Central School and Adirondack Community Action Programs, Inc. Head Start, is entering its 4<sup>th</sup> program year. We have combined BVCSD and Head Start staff to provide a unique program that focuses on the whole child and his/her families in an effort to develop strong school readiness for the best kindergarten experience.

This year our program classrooms are going to be located in the Lakeview campus along with the Kindergarten-fifth grades. Instruction for the first 5 weeks will occur virtually but this will not diminish the opportunity for staff to connect with you and your child to develop relationships that will continue through the program year. It is our hope that your children will soon enter the classroom each day to develop school readiness skills that will equip them for their academic journey.

We will be having a virtual parent orientation on Tuesday, September 1, 2020 at 5:00 PM

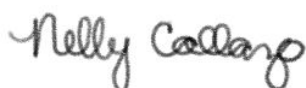

We hope you can join us.
