

MISSION

The MISSION of the Boquet Valley Central School District is to produce a hard-working, responsible, productive citizen who has acquired the knowledge and ability to be a capable contributing member of a local and global community. We will accomplish this by providing opportunities that stimulate students' curiosity, using developmentally appropriate and relevant curriculum in an exciting, interactive, and safe learning environment.

VISION

The VISION of the Boquet Valley Central School District is to become the best rural school in New York State. We will accomplish our vision by providing exceptional opportunities to all learners and preparing them to set and reach their future goals by embedding our core values into their student experience.

CORE VALUES

At the Boquet Valley Central School District, our core values include:

- **Education** is our primary focus.
- Maintaining the **safety** of our students, faculty and staff and providing a **caring, nurturing, trusting, positive** environment can bolster success.
- Student, faculty, staff and community **involvement** in our decision making process leads to greater overall support.
- **Respecting** one's self, other people, and property and demonstrating **spirit** and **pride** for our schools is the foundation of a positive school culture and climate.
- Providing opportunities for **achievement** in all aspects of our school and **leadership** opportunities to our students will increase the chances of future success for our students.
- Exposure to **diversity** and demonstrating **kindness, tolerance, and acceptance** of all of our students, faculty and staff is essential to cultural understanding.
- All students should have **equal access** to opportunities within our district.
- Everyone is expected to be striving to **improve**.
- A formal **goal-setting** process is essential to progress.
- **Fiscal responsibility** is critical to the long-term viability of our district.
