# NATIONAL HONOR SOCIETY

There will be a special fall 2020 selection period and induction ceremony for eligible juniors and seniors into the BVCS Excelsior Chapter of the National Honor Society. Due to COVID-19 and our quick switch to remote learning in the spring of 2020, we were unable to hold our regular annual selection process and induction ceremony; therefore, we have decided to hold a special ceremony this fall to make-up for the spring. The selection process is included in this edition of the Griffin Gazette. Eligible juniors and seniors will be notified on Monday, October 19th. Those students interested in being considered for membership will have nine school days to compile their **information packets which are due no later than 2:40PM on October 29th**. All materials must be submitted either in-person to Ms. Lackey or through the Google Classroom "BVCS NHS Candidate Portal", to which all eligible students will receive an invite to join. **All questions regarding the selection process may be directed to the NHS Adviser, Ms. Lackey at [tlackey@boquetvalleycsd.org](mailto:tlackey@boquetvalleycsd.org).**
