## TREASURE HUNT!

December 14<sup>th</sup> 2020 – February 14<sup>th</sup> 2021

There are kid-friendly containers, called **geocaches**, with trinkets in them, hidden outdoors all around the world, including your own area. They are hidden everywhere, just not buried underground.

Some are so small that only a piece of paper will fit in it that you sign (with the treasure hunt/geocaching name you give yourself) and the date you found it to "log" that you found it.

You can sign up for a free account at <https://www.geocaching.com/guide/default.aspx> and/or download the free geocaching app on your smartphone or GPS-enabled device. Once you have your free account with your geocaching name, you're ready to start hunting for treasure!

Find and log 15 geocaches between December 14<sup>th</sup> and February 14<sup>th</sup> and win a Travel Bug! Find more than 15 geocaches by then and you'll be entered into our championship runoff for more prizes!
