Please do not label the folders and notebooks we will do this when school starts as a class

Some pencils and other supplies can hopefully be provided throughout the school year by me. Nonetheless please note that these are essential and may need to be replenished during the school year.

The school will provide a planner to the students to allow them to write down assignments they have along with a home/school communication folder that will be sent between home and school each day to aid in communication each day.

Parents and students, I hope you are all having a great summer. I look forward to the school year and I am excited to be working with you. Thank you in advance for your support. I look forward to meeting each one of you and I look forward to learning with you this year. This will be my first year at Boquet Valley and I am excited for the school year to begin. Please feel free to reach out to me with any questions, my email is [bshumway@boquetvalleycsd.org](mailto:bshumway@boquetvalleycsd.org). See you all in September.

Mr. Shumway.
