A MESSAGE FROM OUR DIRECTOR OF STUDENT SUPPORT SERVICES NELLY COLLAZO:

Dear Early Bridges Parents:

Collaboratively, BVCS and ACAP apologize for the confusion regarding parents drop off time. In our effort to continuously improve our program, ideas and strategies have been discussed. Last night one of these strategies was prematurely communicated and implemented without full team consultation. The release of this idea caused great concern and problems for you, our families. We ask for your patience, apologize for the confusion and of course always welcome conversations and communication. Please recognize Early Bridges follows the district schedule 8 am to 2:45 pm. The team's hasty implementation was in an effort to ensure proper coverage. We would only like you to make this adjustment if you can. However, if you can't, please continue to drop of your child at 7:45 AM.

Again we apologize for the misunderstanding.
