UPDATE

## A Message from the Superintendent - Josh Meyer:

Congratulations to all of our students who took part in the first annual BVCSD Spelling Bee. We have some great representatives for the upcoming regional competition! We have used another snow day (in case you are keeping track). Check the website for an updated school calendar to see which spring dates have been affected.

*Enjoy the long weekend.*

Classes will not be in session for students in grades 9-12 on Tuesday, January 21, 2020 due to Regents Exams.

Elementary students will attend school as usual.

## #GRIFFINATION

### A Message from our Lake View Principal - Dan Parker:

"The function of education is to teach one to think intensively and think critically. Intelligence plus character - that is the goal of true education."  
- Martin Luther King Jr.

We use Monday to recognize the efforts of the Civil Rights leader Martin Luther King Jr. Dr. King's quote included here helps direct our thinking about how we grow well rounded students at every level. Growing skills, developing character and building knowledge are our continual goals as educators.

Mrs. Fielder helped Mrs. Rock's 2nd grade class learn about stream erosion.
