SCHOOL BOARD RECOGNITION WEEK

OCTOBER 19 - 23

The New York State School Boards Association recognizes October 19-23, 2020 as School Board Recognition Week. This is a time to promote awareness and understanding of the important work performed by school board members. Boquet Valley Central School is joining all public school districts across the state to celebrate School Board Recognition Week to honor local board members for their commitment to our communities and its children.

"It takes strong schools to build a strong community, and these men and women devote countless hours to making sure our schools are helping every child learn at a higher level," Joshua Meyer, Superintendent said.

"They make the tough decisions every month and spend many hours studying education issues and regulations in order to provide the kind of accountability our communities expect. School board members give the Boquet Valley citizens a voice in education decision making, their contribution is a year-round commitment," Meyer said.

Superintendent Meyer said the key work of school boards is to raise student achievement by:

- Creating a shared vision for the future of education
- Setting the direction of the school district to achieve the highest student performance
- Providing accountability for student achievement results
- Developing a budget that aligns district resources to improve achievement
- Supporting a healthy school district culture in which to work and to learn

The members serving our district are as follows: President Philip Mero, Vice President Alan Jones, Karin DeMuro, Dina Garvey, Sarah Kullman, Heather Reynolds and Suzanne Russell.

Please join me in extending a special thank you to our Board Members for their support and dedication to our students, communities, faculty and staff.
