Boquet Valley's Newsletter

March 1, 2021

Thursday, March 11th will be a remote learning day for all students due to the large number of Boquet Valley CSD employees receiving their second dose of the COVID Vaccine on Wednesday, March 10th. As you are likely aware, the second dose often comes with significant side effects 12-24 hours after vaccination. This could prevent over 30 of our employees, including instructional staff, bus drivers, and other support staff, from working on Thursday. We cannot accommodate substitutes for all of those employees. I apologize for any inconvenience that this may cause. If everything goes as planned, by the end of March, a vast majority of our employees will have been vaccinated and will not need to quarantine if exposed to COVID, which should prevent any further inability to staff our campuses. Thank you for your understanding.

As a reminder, Wednesday, 3/10 is remote and a half-day.

Friday, 3/12 is scheduled as an unused emergency day.

The schedule for the week of March 8th is below, plus additional important dates in March:

Monday	3/8	Normal school day
Tuesday	3/9	Normal school day
Wednesday	3/10	HALF DAY-Remote
Thursday	3/11	Remote day
Friday 3/12	No School (Unused emergency day as per school calendar)	
Monday 3/15	No School (Superintendent's Day- Staff Only)	
Friday 3/26	No School (As per updated school calendar)

Strength and Conditioning is now on to the Overhead squat. One of the most difficult and neurally demanding of all the lifts. It tests and develops squat maturity, proper joint range of motion, balance and strength.

On Friday, February 12th, faculty members wore RED in support of the American Heart Association Annual Campaign "Wear Red And Give Day" to help raise awareness for women's heart health!
