From the PTSO:

We loved seeing so many faces at our Back To School Nights last week! If you didn't get a chance to turn in your membership form or survey, you can send them in with your child(ren) or mail it to the address on the form.

Don't feel like you have the bandwidth to join? Remember that membership can be as much or as little as you want! We are looking for silent members and active members. If you join as a silent member, you have no obligation to attend meetings or events. Your suggested membership donation of \$10 supports school and classroom initiatives that can't be supported by other funding sources.

For those who are looking to be a little more involved, we will be electing new board members in December. We meet monthly throughout the school year and organize 3-4 fundraising events in a typical year.

As we schedule this year's meetings, we're looking for input here.

Questions? Reach out to us at bvptso@gmail.com.
