

ARP-ESSER Application: Part 2 - ARP ActIntroduction/Instructions - Summary & Background

Summary & Background

BOQUET VALLEY CSD

151801040000

SUMMARY & BACKGROUND

On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ESSER) funds. New York State has been allocated nearly \$9 billion under the ARP Act's Elementary and Secondary School Emergency Relief (ESSER) Fund. The ARP Act requires that a minimum of \$8.09 billion (90 percent) be allocated to LEAs, including charter schools and Special Act School Districts that are LEAs. Pursuant to the terms of the ARP Act, LEA allocations have been calculated using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent federal fiscal year (2020). Each eligible LEA's ARP-ESSER allocation may be found [HERE](#).

Under section 2001(d)(2) of ARP Act of 2021, each State Educational Agency (SEA) must make ARP-ESSER allocations to LEAs in an expedited and timely manner and, to the extent practicable, not later than 60 days after the SEA receives its ARP-ESSER funds. The first portion of ARP-ESSER Funds was awarded to states on March 24, 2021, and 60 days from that day is May 24, 2021. The U.S. Department of Education (USDE) has taken the position that an SEA makes allocations when it authorizes the LEA to begin to obligate funds in accordance with its needs. To enable New York State's LEAs to begin to obligate ARP-ESSER funds by USDE's May 24, 2021 deadline, the application for LEA 90% base ARP-ESSER allocations is being administered by NYSED as a two-part application process:

ARP-ESSER Application – Part 1: The first step was for each LEA to submit signed assurances to NYSED by May 24, 2021. Upon receipt of signed LEA assurances, NYSED provided an email notice to the LEA of substantially approvable application status. Upon receipt of such notice, LEAs were able to begin obligating their allocation of 90% base ARP-ESSER funds.

ARP-ESSER Application – Part 2: The second step will be the submission of a full application and budget by the LEA. NYSED will issue a Grant Award Notice (GAN) to the LEA after the LEA's application is fully reviewed and approved by NYSED. Part 2 will address several of the plan-related assurances an LEA must provide in Part 1 of the application process.

The ARP Act requires LEAs to reserve at least 20% of their 90% ARP-ESSER allocation to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on economically disadvantaged students, children with disabilities, English learners, racial and ethnic minorities, migrant students, students experiencing homelessness, and children and youth in foster care. For your information, the minimum 20% reservation for each LEA may be found [HERE](#).

Project Period

March 13, 2020 to September 30, 2024 to obligate funds. Funds must be fully liquidated by October 31, 2024.

Project Number

The project number stem for the program is:

ESSER: 5880 - 21 - XXXX

This number should be used on the appropriate FS-10 budget form.

Submission Deadline

Completed applications are due by **August 31, 2021** (with extensions by request), and will be reviewed on a rolling basis.

Please note that applications must be submitted and fully approved by no later than March 23, 2022. LEAs that have not been issued a Grant Award Notice by that time will be at risk of having their ARP-ESSER allocation returned to the United States Department of Education.

ARP-ESSER Application: Part 2 - ARP Act

Introduction/Instructions - Summary & Background

APPLICATION PROCESS FOR LEA ALLOCATIONS OF ARP-ESSER SEA RESERVE FUNDS

The federal ARP statute requires SEAs to reserve:

not less than 5 percent of the total amount of grant funds awarded to the State (\$449.4 million) to carry out activities to address the impact of lost instructional time by supporting the implementation of evidence-based interventions;

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based summer enrichment programs; and

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based comprehensive afterschool programs.

The 2021-22 enacted state budget directs that these required SEA set-asides be allocated as grants to specified school districts. Each eligible district's allocation of SEA reserve funds may be found [HERE](#). NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the [SED Monitoring and Vendor Reporting System](#). This application is only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

ARP-ESSER Application: Part 2 - ARP ActIntroduction/Instructions - Submission Instructions

Submission Instructions

BOQUET VALLEY CSD

151801040000

Directions for Submitting the Application:

The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs), and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs) are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

LEAs ARE NOT REQUIRED to send hard copies of general application materials to the Department.

LEAs ARE REQUIRED to send signed originals and two hard copies of each FS-10 Budget Form to:

Office of ESSA-Funded Programs - Rm 320 EB

RE: ARP-ESSER Application – Part 2

New York State Education Department

89 Washington Avenue

Albany, NY 12234.

Deadline for Submitting the Applications:

The *ARP-ESSER Application – Part 2* is due by August 31, 2021.

ARP-ESSER LEA Base 90% Allocation - Plan Development and Dissemination

BOQUET VALLEY CSD

151801040000

Title VIII of Division B of the CARES Act directs the Department to carry out the Education Stabilization Fund, of which the ARP ESSER funds are a part. Section 2001 of the ARP Act provides for the Department to make grants to each SEA from the ARP ESSER funds. An SEA must allocate at least 90 percent of its ARP ESSER grant funds to its LEAs (including charter schools that are LEAs) in the State in the same proportion that the LEAs received under part A of title I of the ESEA in Fiscal Year 2020, as required by section 2001(d)(1) of the ARP Act; and section 2001(e) of the ARP Act prescribes certain mandatory and permissive uses of LEAs' funds. Under 20 U.S.C. 1221e-3, the Secretary has the authority to promulgate rules governing the programs administered by the Department. Under this requirement, each LEA that receives ARP ESSER funds must develop, submit to the SEA on a reasonable timeline determined by the SEA, and make publicly available on the LEA's website, a plan for the LEA's use of ARP ESSER funds. The plan - known as the LEA ARP ESSER Plan - and any revisions to the plan submitted consistent with procedures established by the SEA, must include a description of key activities which are required below.

NYSED will consider each LEA's application for its base 90% ARP-ESSER allocation as meeting the USDE LEA ARP-ESSER use of funds plan requirement, provided the required elements of the plan are fully addressed in the LEA's application, combined with a budget, and then publicly posted after being developed with public input.

An LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Each LEA's ARP ESSER plan must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

- 1. In the space provided below, please describe how the LEA meaningfully engaged a diverse and representative set of the applicable stakeholders in developing a plan to use these funds and implementing that plan.**

Plans to determine the best use of ARP funding were designed using a comprehensive needs assessment conducted by district leaders with the assistance of community partners. The district surveyed students and gathered stakeholder input during PTO meetings in February and March. Planners then reached out to community partners (ACAP, Adirondack Community Actions Program; CCE, Cornell Cooperative Extension; CCFS, College for Every Student Program; and BRIEF, Building Resilience in Essex County Families) who helped to identify priorities and collaborated on the design of out-of-school time learning opportunities and mental health supports to remediate the impacts of the ongoing COVID-19 Pandemic. The District's ARP Planning team, comprised of stakeholders and community partners will revisit the ARP spending plan as health and safety concerns and priorities continue to change during the pandemic. Committee meetings will be conducted as needed, but will be held at least every six months throughout the duration of the ARP grant period to ensure that funding is being used to best meet the safety, academic and social emotional needs of BVCS students and staff members. Monthly meetings of the PFO and BOE will include opportunities for public comment and sharing. The district will also share biannual data collected through student and parent climate surveys as well as attendance data, academic assessments and course completions and graduation data to inform the ongoing implementation of the plan.

- 2. In the space provided below, please provide the URL for the website(s) where the LEA ARP-ESSER Plan is/will be publicly posted. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

<https://www.boquetvalleycsd.org/essr-3-application-plans-and-budget/> - Upon request, the ARP Plan will be mailed to those who ask to see it.

ARP-ESSER LEA Base 90% Allocation - Program Information

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

3. In the space provided below, please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning.

The District will not use ARP ESSER 3 funding to implement virus prevention and mitigation strategies. Instead, funding provided through the CARES Act, FEMA, and CRRSA ESSER 2 will ensure CDC guidance for reopening schools is adhered to and assist the District to operate safely for in-person learning.

4. In the space provided below, please describe the data that the LEA will use to identify student needs and monitor student progress as a result of planned interventions and supports.

The District will use local diagnostics (I-Ready), student and teacher surveys on school climate and mental health, and state academic assessments for the continued identification of student needs and measure the impact of interventions. Building principals will work within grade-level data teams to monitor progress and implement the RTI process. District administrators will also collaborate with community partners, as appropriate, to prioritize and address gaps in social-emotional learning and the effects of trauma on development and learning.

Interventions and Descriptions

Academic Interventions: Interventions in which students are provided instruction on missing academic skills. Because students may try to avoid work because of missing academic skills, teaching them the skills may alleviate the use of the undesired behavior(s).

Check-In/Check-Out: A structured intervention in which students receive feedback on their behavior at designated times throughout the day. In the morning, they "check-in" with a staff member and then receive period feedback throughout the day from their teacher(s). At the end of the day, they "check out" with the staff member from the morning check-in. Also referred to as Behavior Education Program.

Classwide Interventions: Interventions that are provided to the whole class, yet are designed to target only one or a few students' behaviors.

Mentoring: Students are assigned a mentor (often from outside the school) that provides a positive role model and promotes attachment to school.

Setting-based Interventions: The setting in which undesired behavior is displayed by a student within is modified, such as using a structured recess or providing unique contingencies during a given setting.

Social Skills/Social-Emotional Learning Interventions: Through the use of the SecondStep and the MindUp programs students are provided instruction in a group setting on certain social skills or social-emotional learning skills.

5. In the space provided below, please describe how the LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.

Allowable Use #15 ARP Funding will support stipends for school staff who will facilitate summertime enrichment programming and credit recovery activities at both schools and for special education students to battle learning loss and increase students' knowledge and skills.

Funding will also support summertime enrichment programming and credit recovery activities at both schools through the purchase of summer program supplies and materials, and by providing bus transportation services and field trips to student participants.

Allowable Use #16- Funding will support 2.56 FTE Academic Intervention Services Teachers to assist at-risk students during the 2022-2023 and 2023-24 school years to mitigate learning loss.

20% Required Set-aside

Allowable Use # 16 0.35 FTE AIS Teacher who will provide Academic Intervention services to assist struggling students to mitigate learning loss

6. In the space provided below, please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) - the allowable uses of funds - of the ARP Act.

Allowable Use #14 – ARP Funding will be used for student mental health services and social emotional learning to promote mental health.

School disengagement and a lack of SEL opportunities have been identified by Boquet Valley staff as having a negative impact on student academic achievement and positive development. Students, particularly at the secondary level, have expressed increased feelings of isolation, anxiety and sadness since the pandemic began. Nearly all 6-12 grade students surveyed specifically requested more opportunities to interact in-person with their peers outside of the formal classroom setting. The District will partner with Behavioral Health Services North, a mental healthcare provider that conducts Adventure-based Learning programs in the Adirondack Mountains for struggling youth. Behavioral Health Services North, Inc. provides an array of treatment services that promote recovery, resilience and wellness to children, adolescents and their families who are experiencing mental health or behavioral difficulties. Services are staffed by a professional treatment team, work collaboratively to ensure all needs of the child and family are being addressed. The **Adventure Based Learning** program will strive for student participants to achieve significant growth in acquiring the attitudes, behaviors and values that will facilitate their individual success and social development into an economically independent, chemical dependence free, mentally healthy, socially engaged member of the community. Targeted outcomes include improved attendance and a better sense of emotional well-being as indicated through school records and student surveys.

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

7. **In the space provided below, please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.**

20% required set-aside

Allowable Use #14- The BVCS D will use all of its ARP Funding to respond to the academic, social, emotional, and mental health needs of all students, paying close attention to those students who have been disproportionately impacted by the COVID-19 pandemic. This will include the 51.8% of district students from low-income families, the less than 1% minority student population, three English learners who have just relocated to the district in the past month and the nearly 15% of students who have been identified for special education services. Funding will support a collaboration with Essex County DSS Mental Health Services to also provide personalized supports to the small number of district students who are living in foster care and any students who become homeless. Student support services and family outreach will be coordinated with the assistance of a 10-month school mental health worker contracted through Essex County Mental Health. The school social worker will provide referrals to a variety of service providers for struggling families to address individual needs and will promote social-emotional learning by assisting classroom teachers to implement the SEL curriculum throughout the three-year grant period.

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

ARP-ESSER Return to In-Person Instruction

BOQUET VALLEY CSD

151801040000

Section 2001(i)(1) of the ARP Act requires each LEA that receives ARP ESSER funds to develop and make publicly available on the LEA’s website, not later than 30 days after receiving ARP ESSER funds, a plan for the safe return to in-person instruction and continuity of services for all schools, including those that have already returned to in- person instruction. Section 2001(i)(2) of the ARP Act further requires that the LEA seek public comment on the plan and take those comments into account in the development of the plan. Finally, section 2001(i)(3) of the ARP Act states that an LEA that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA’s website and was developed after the LEA sought and took into account public comment).

The LEA’s plan must include how it will maintain the health and safety of students, educators, and other school and LEA staff and a description of any policies it has adopted regarding each of the CDC’s safety recommendations, including universal and correct wearing of masks; modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); handwashing and respiratory etiquette; cleaning and maintaining healthy facilities, including improving ventilation; contact tracing in combination with isolation and quarantine in collaboration with the State, local, territorial, or the health departments of Native American Nations; diagnostic and screening testing; efforts to provide vaccinations to school communities; appropriate accommodations for children with disabilities with respect to health and safety policies; and coordination with State and local health officials.

The plan must describe how the LEA will ensure continuity of services, including but not limited to services to address students’ academic needs and the social, emotional, mental health and other needs of students and staff, which may include student health and food services.

LEA plans must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

NYSED will permit previously developed LEA re-opening plans to satisfy the ARP statutory requirement for the safe return to in-person instruction and continuity of services. LEAs must make any necessary updates to existing plans to conform with the USDE requirements within 30 days of receipt of ARP-ESSER funds and to review (and revise if appropriate) plans every six months thereafter (until September 30, 2023).

- 1. In the space provided below, please provide the URL for the website(s) where the district's most current re-opening/return to in-person learning plan is/will be located. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

www.boquetvalleycsd.org

School Re-opening Plans will be mailed to those who request them.

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

2. An LEA must periodically, but no less frequently than every six months (through September 30, 2023), review and, as appropriate, revise its plan. Consistent with section 2001(i)(2) of the ARP Act, which requires an LEA to seek public comment on the development of its plan, an LEA must seek public input and take such input into account in determining whether to revise its plan and, if it determines revisions are necessary, on the revisions it makes to its plan, i.e., the LEA must seek public input on whether to revise its plan and on any revisions to its plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools). If the LEA revises its plan, the revised plan must address each of the aspects of safety currently recommended by the CDC or, if the CDC has updated its safety recommendations at the time the LEA is revising its plan, each of the updated safety recommendations.

In the space provided below, please describe how the LEA will review and regularly update (at least every six months through September 30, 2023) it's plan for in-person instruction, including a description of how public comment will be collected.

Periodically, but no less frequently than every six months (through September 30, 2023), the District's Leadership Team will review and revise its Re-opening Plan, as appropriate, to be consistent with CDC, NYS and County Health department guidelines. Any revisions to the plan will address each of the aspects of safety currently recommended by the CDC and any updated safety recommendations the CDC announces during the duration of the pandemic.

Consistent with section 2001(i)(2) of the ARP Act, the District will seek public comment and take such input into account in revisions to its plan. If revisions are necessary, the District will publish its intent in the monthly BOE Agenda and present proposed changes during its the BOE meetings, unless such changes are mandated to take effect before the BOE can meet. In which case, immediate changes will be undertaken and the revised plan will be published on the District's website and changes announced using the parent-staff portal. A time for public comment and input will be provided at each BOE meeting. The BOE will revisit the plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools) and will seek public comment on a monthly basis.

NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the SED Monitoring and Vendor Reporting System. The sections below are only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

- Please upload a completed and signed copy of the FS-10 Budget for the ARP-ESSER LEA Base 90% Funds.**

Revised ARP_ESSER 3_FS-10_BoquetValley_2021-23.pdf
 BVCSD_ARP ESSER 3_FS-10_2021-24.pdf

- Please upload a completed copy of the Budget Narrative for the ARP-ESSER LEA Base 90% Funds.**

BoquetValleyCSD_ARP_ESSER 3_Budget Narrative 2020-24.docx

- Please complete the following table by providing total proposed expenditures by budget code for funding in relation to the ARP-ESSER Application – Part 2. This information should match the Budget Summary page of the FS-10 budget form.**
