OASIS Sign Ups

Lake View

Session 1

Dear Boquet Valley Parents and Guardians,

The OASIS after school program at Lake View will begin on **Tuesday, September 27th** and continue through the school year. If you would like your child/children to participate, **please fill out the “[Boquet Valley OASIS Student Registration Google Form](#)”** which can be found at this link which is on Parent Square, on the Boquet Valley Central School District website, and our Boquet Valley CSD Facebook page. Students can also pick up a hard copy version of the registration in the hallway across from Room 17 at Lake View. This program is rolling enrollment; however, it is split into sessions and students will not be able to participate until a new session starts. Your child **MUST** have a completed ACAP/OASIS form on file before they are able to participate in afterschool, early release day, weekend, or summer programming through OASIS.

The program will run from 3:15PM to 5:15PM on Monday through Thursday on normal school days and is free to all participants. This year, we are also using some early release days for OASIS Programming. **If you want your child to remain at school until 5:15PM on early release days then you must speak with ACAP about payment fees and options.** The aims of the afterschool program are to improve academic performance, improve social emotional competencies, and help Boquet Valley students make successful transitions in school and to careers or higher education.

Each day, students will receive a snack, then participate in the program they signed up for, and participate in homework help using teacher assistance and ACAP support. We aim to provide a safe place for students to get help with their schoolwork, participate in engaging activities with their peers, and have an opportunity to try new experiences. We partnered with Cornell Cooperative Extension of Essex County, College for Every Student, Building Resilience in Essex Families, and other community organizations to provide engaging programming like nutrition education, career and college readiness, STEAM activities, social and emotional wellness activities, pottery, phonics, and so much more for our students.

Transportation will work similarly to last year with a shuttle from Mountain View to Lake View and vice versa. OASIS ends at **4:45PM at Mountain View** and **5:15PM at Lake View**. If you have a child coming from Lake View to Mountain View via shuttle then please plan to arrive at 5:30PM to pick up your child. There will be no stop in Lewis at this time.

If you have any questions or would like more information about the OASIS program, please email Program Coordinator Marcaill Miller at mmiller@boquetvalleycsd.org. We are looking forward to another great year of OASIS programming. Thank you for your continued support and feedback.

Sincerely,

Marcaill Miller

OASIS Program Coordinator

OASIS Session 1 Sign Up Form

Hello Griffins!

We have split OASIS into one (1) 4 Week session running from September 27th - October 20th. The rest of the year is split into five (5) 6 Week Sessions. This sign up will only count for the first session starting September 27th - October 20th.

Please rank your top THREE activities for the first session. If you only plan to **participate on select days then please write that in the notes** portion of this form and only mark the programs you want to attend.

YOU MUST COMMIT TO THE PROGRAM YOU SIGN UP FOR. Ex: If you signed up to attend walking club then you must attend walking club (not another activity) every Monday for this four week session. Before the session is over, sign ups for the next session will go out and that is when you can choose a different activity on Monday.

All submissions are due by **September 23rd to the Office.**

Once we have received all submissions, we will place you in as many of your preferred activities as possible.

If you need to submit for more than one child, please make separate submissions. If you have

any questions, please reach out to Marcaill Miller at mmiller@boquetvalleycsd.org. Thank you

for your interest and we look forward to a very fun year!

If you are an online user, then please use this Google Form to submit sign ups:
